Declaration by Occupier

(except any person who will sign overleaf)

I declare that as against the Society I do not have and will not assert any interest in or right to reside in the Property described in the mortgage deed overleaf and request that the Society makes the loan on that basis.

I realise that if the Borrower does not maintain payments on the loan or otherwise breaches the terms on which the loan is made the Society will be entitled to take possession of the Property and I will have to leave so that the Society can sell the Property.

I realise that if I have any doubts about signing this declaration or want clarification of my legal rights I should seek independent legal advice before signing. I have been given the opportunity of taking such advice.
